Hello Carolyn,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover Profile. To the right of each pair of 'aspect' symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the stronger the connection. The keys to the planets, the other symbols and terms used are given at the back of the report.

Intimate Lover Interpretation

Your birth chart shows the exact positions of the planets at your time of birth. It also tells you the sign of the Zodiac that was rising at your time of birth, known as your 'ascendant', which indicates your style of lovemaking. How the planetary positions of your birth chart relate to each other are interpreted on the following pages outlining your potential sexual development. The interpretation begins with your overall sexual nature and temperament.

Carolyn's sexual nature

Carolyn's energy level

You approach your sex life in an active and dynamic way, able to take the initiative. You react outwardly (and often spontaneously) and believe in solving dilemmas through action. You may be inclined to have a hot temperament and it's not difficult for you to be either passionate or get upset - but you calm down just as easily.

Carolyn's emotions

You probably have problems in accepting your own and others emotional reactions and instinctive way of behaving. You may need to be more sensitive towards your lover's situation, as you can have difficulty in expressing your own true feelings.

Carolyn's sexual temperament

Carolyn's adaptability

A psychological sense of subtlety may evade you, which can make you either impatient or oblivious to other people's complexities and unconventional way of behaving.

AS

Rising Sign

Carolyn's love-making style

How others see you - the first impression you give.

AS in ♈

Earthy appeal

You have a charismatic, earthy appeal; slow at first but, once aroused, you can be relentless. You have staying power, are affectionate, friendly and inclined towards slow building, intense lovemaking. You can keep going all night with an enthusiastic and inventive partner who is raring to go.

AS ♋ ♀ ★★☆☆☆

Head case

Not only are you ever eager to put your fantasies into words all the while, you also respond swiftly to your partner's requests by diving in head first with energy and alacrity.

AS ♌ ♁ ★☆☆☆☆

Firm

You will be attracted to mature lovers, which in some cases could inhibit your sexual potential but who may actually turn out to be a steadying influence.

AS ♍ ♁ ★★★★★

Recognition

Remote and difficult to understand, you could attract a similar partner who may have a fanciful image of you that is difficult to live up to. Structure, plus a strong dose of reality is prescribed.

The Sun

What making love means to Carolyn

How you express yourself as an individual.

☉ in ♈

Thoughtful

You are a thoughtful and reliable lover with a good appetite for sex. Sex for you is a loving experience and once a partner is decided upon you will not give up. Determined and fixed in your ideas, it is more difficult for you to indulge in purely fun sex so it is preferable that you seek a partner who is more flexible; someone who can direct you into a sex life with a little more variety. All in all, you are someone with exceptional staying power who can be depended upon once committed.

12th house

Forces that are beyond your control; a higher power or ideal.

☉ in 12th House

Clandestine

You're a very private person who's difficult to get to know, secretive and with hidden depths that are sometimes unknown even to yourself. To you, lovemaking is an act of self-discovery, so sometimes unsafe or hazardous encounters ensue in your unending search to unravel the mystery that is you. You need a loyal and daring partner in order to flourish.

☉ ♋ ♀ ★★☆☆☆

Appealing

You're a charmer with a warm and steady desire that cannot be denied. Deep within you there are strong motivational urges that demand satisfaction for yourself and others.

☉ ♁ ♃ ★★★★★

Peak practice

You need a little more self-belief to overcome what may be seen as too conventional or inhibited an approach. Reassurance from your partner in a gentle, stimulating way will encourage you to greater heights.

☉ ♁ ♃ ★★★★★☆

Spell binding

You have lofty ideas of romance; a dream lover who thrives on passionate feelings of romantic desire and sexual attraction - ever hopeful of the ultimate 'merging' with another.

☉ ♁ ♃ ★★★★★☆

Domineering

You can be far too over-bearing; a control freak into sexual power games and with desires that are best acted out as sexual fantasy scenes in private - along with a compliant and accepting lover.

The Moon

The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

☾ in ♈

At the double

When it comes to sex you are quick to react, being able to orgasm and shortly afterwards be ready for more. Once aroused, you are difficult to slow down. Such intensity burns out quickly and you may come too fast for your partner. You need constant new stimulation to keep sex exciting and alive. Without being aware of it you can get over emotionally involved with a partner who is not as eager as you are.

☾ in 12th House

Hidden depths

Naturally drawn to clandestine affairs, you can easily hide your emotions from others. Your feelings need to be brought out into the open in order to achieve rewarding relationships. However, you should always think twice before making too hasty a response that may inadvertently upset your partner.

☾ ♀ ★★☆☆☆

Eloquent

You're accomplished at expressing feelings and are capable of realistically pinpointing the correct emotion, which assists you greatly in developing relationships to their full potential.

☾ ♀ ♋ ★★☆☆☆

Unwavering

You're a big-hearted and generous lover capable of unstinting love that opens up new realms of emotional expression and boundless sensations.

☾ ♀ ♌ ★★★★★☆

Dependable

You know just how to look after, and care for, your lover. You're consistent, protective and always aware, even from afar, so you'll give all that is required.

♀

Mercury

Carolyn's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

♀ in ♈

Spontaneous

You are a fast thinker who makes love spontaneously, indulging in activities that can be a lot of fun. Your desires are clear-cut and you don't elaborate much on your sexual technique; never lingering too long you make your mark and then move on. Try to develop your fantasies more - and don't leave your partner behind!

♀ in 12th House

Thought provoking

Conveying your needs can sometimes be a problem, but body language can save the day. Privacy is of paramount importance to you and will not be given up easily. Your penetrating depths of understanding, and fearlessness of consequences, are how you learn and grow as a lover.

♀ ♀ ♌ ★★★★★☆

Pleasurable

You're willing and able to wait until you discover the right technique - the one that's likely to succeed - thus ensuring consistency in the bringing of pleasure on a regular basis.

♀ △ ♃ ★★★★★☆

Inspired

You're imaginative when it comes to lovemaking, likely to try anything to make it happen and content to let it all hang out. You know and say the right thing even in the throws of passion.

♀

Venus

What you value and need most

How you express your emotions within personal relationships.

♀ in ♈

Impatient

You are impatient about making love and want to devour your partner without a moment's hesitation. You like immediate, and somewhat exaggerated, acts of passion and more often than not are easily satisfied, enjoying vigorous moments of ecstasy.

11th house

Your hopes, wishes and friends; the kind of people you are attracted to.

♀ in 11th House

Enduring lover

Preferring a lover to be proud of, you tend to avoid dubious-looking individuals for fear of ruining your social acceptability. But long lasting affairs should be based on more than just the superficial, so you need a close, dear friend who will endure, to love you and satisfy your sexual needs.

♀ □ ♃ ★★★★★☆☆

Beyond reach

Your vague fantasies are not easy to achieve and your lack of clarity, or unrealism, inevitably results in dissatisfaction. It is difficult for you to focus on, and bring about, your desires.

♂

Mars

The driving force of Carolyn's sexuality

Your sex drive, stamina and the way you assert yourself and express your desires.

♂ in ♀

Restless

When making love you have a light and skilful touch, which can enable you to develop, and acquire, a good lovemaking style. You possess lots of restless energy and are therefore able to exude passion, demanding and giving both physically and verbally, much boundless love. With your variety of sexual expression and constant exertion in lovemaking, you must be careful not to lose sight of the objective of ultimate climax. With too much fore or after play, your versatility could lead you to be 'stuck in a rut', as you indulge in too much sexual repetition rather than get on with the job in hand.

1st house

Your sense of self-identity.

♂ in 1st House

No nonsense

You have an energetic approach to sex, are really powerful once in motion, but are not necessarily aggressive. Choosing to be straightforward and direct with no messing about, you know what is wanted and will strive to achieve it. You are likely to stand out in a crowd.

♂ ✳ ♃ ★★★★★

Well equipped

More than equipped for the task you're capable of a long lasting commitment. Lofty aspirations make you a generous and enthusiastic lover who enjoys sex to the full.

♂ ♀ ♃ ★☆☆☆☆

Inhibited

You need to have belief and confidence in your ability to succeed and persevere with your tendency to give up too soon. You must make up your mind about what it is that you desire and then go for it.

♃

Jupiter

Carolyn's capacity and desire for love-making

Your sense of fun, optimism and generosity and what you believe in most.

♃ in ♈

Original

You are full of original ideas about lovemaking that swell up to the surface from within you quickly and spontaneously. These bursting urges require your lover's immediate attention and furtive execution. You are not likely to wait for your lover's approval, or want to discuss details, but are more likely to dive in directly, plunging into the thick of things to get fluids flowing before moving on to your next plan.

♃ in 12th House

Initiating

You are a person who excels in developing that which was previously unused by yourself and your love. Untapped areas of pleasure can be revealed behind closed doors, releasing rapturous feelings of innermost ecstasy, elation and joy.

♃ ✳ ♂ ★★★★★

Sound opinions

You're able to evaluate state of affairs, enabling long term development of relationships to their fullest, without breaking any of the rules.

♃ △ ♃ ★☆☆☆☆

Sound opinions

You're able to evaluate the state of affairs, enabling long-term development of relationships to their fullest - without breaking any of the rules.

♃ □ ♃ ★★☆☆☆

Illusion

Your unrealistic dreams and vivid imagination may misdirect Cupid's arrow. Things need bringing down to earth for your lovemaking to be sustainable.

♄

Saturn

Awkwardness or inhibitions

Your sense of responsibility and lessons you have to learn.

♄ in ♃

Disillusionment

The search for meaning, whether this is sought through travel or wholly within yourself, will at some point lead you to experience disillusionment with love, resulting in either a indecision based on fear and a sense of futility, or a search for deeper and more enduring values.

8th house

Relationships where you relate to others on a deeper, more emotional level.

♄ in 8th House

On the edge

You can be apprehensive at first, unwilling to take the plunge and fearful of the unknown - but fascination draws you ever deeper into the mysteries of lovemaking. Choose an understanding partner who knows exactly what turns you on.

♄ ♀ ♃ ★★☆☆☆

Startling

Familiar routines appearing to limit and control, ultimately lead to surprisingly innovative arousal that awakens the senses in a most stimulating way.

♅

Uranus

Inventiveness and spontaneity

Your imagination, initiative and ingenuity.

♅ in ♃

Sought after

Exciting new vistas are what turn you on, you aspire to an honest and adventurous, energetic style of lovemaking. This romantic view of love is admirable but can be difficult to achieve.

♅ in 8th House

Exposed

You're inextricably drawn to deeply meaningful relationships, starting off reluctantly and then becoming absorbed. As a result, a great deal can be learned about your innermost desires as they rise up from hidden depths within.

Neptune

Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

Uncertainty

You are unsure of where your relationship will lead and may have a preconceived idea that loss and disappointment are the likely natural outcome. This is not necessarily true; love develops and builds through your shared experiences of happiness and disappointment (from which you both learn), and consequently your love becomes stronger.

in 8th House

Enduring passion

You seek lasting passion and are willing to expend a great deal of time and energy on understanding both yourself, and your partner's, innermost motivations, feelings and desires. You may imagine more than is actual reality as fantasies cloud your powers of discernment.

Certainty

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

Pluto

Unconscious depths and intensity

What motivates you.

All or nothing

You are part of a generation that has an intense attitude towards love and sex and which generally treats its relationships as an all-or-nothing proposition.

6th house

The interaction of your mind and body.

in 6th House

Breaking rules

Well acquainted with the conventions of good sex and expert at giving your lover pleasure, you will expect them to do specific things for you in return. Dare to play at breaking the rules now and again for sexual pleasure to be further enhanced between you.

MC

The Midheaven

Preconceived ideas about Carolyn's sexuality

What you can achieve.

MC in 

Free thinking

It's accepted that you are independent, free thinking and can often have more than one relationship. You are able to make the most of these assumptions, as this is what is expected of you. A little manipulation, as long as it brings about pleasurable and stimulating experiences is OK.
