Hello Stephen,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover Profile. To the right of each pair of 'aspect' symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the stronger the connection. The keys to the planets, the other symbols and terms used are given at the back of the report.

Intimate Lover Interpretation

Your birth chart shows the exact positions of the planets at your time of birth. It also tells you the sign of the Zodiac that was rising at your time of birth, known as your 'ascendant', which indicates your style of lovemaking. How the planetary positions of your birth chart relate to each other are interpreted on the following pages outlining your potential sexual development. The interpretation begins with your overall sexual nature and temperament.

Stephen's sexual nature

Stephen's dependability

You are solid and dependable, having perseverance and staying power. You can endure situations, far longer than most, determined to see them through to the end. In fact, you often have the end in sight even before you begin. You are strongly sensual, in the sense of needing to feel the physical proof of things. That is, 'what can't be touched isn't real'.

Stephen's emotions

You probably have problems in accepting your own and others emotional reactions and instinctive way of behaving. You may need to be more sensitive towards your lover's situation, as you can have difficulty in expressing your own true feelings.

Stephen's sexual temperament

Stephen's adaptability

You have a 'complex' psychological make-up, which can appear as an erratic nervous temperament. Your desire for change and variety may give you a reputation for unreliability.

Stephen's capabilities

You may lack the ability to 'get-up-and-go' when action and inventiveness are needed, hence you may find that you exert yourself best in familiar surroundings, arranged or managed for you.

AS

Rising Sign

Stephen's love-making style

How others see you - the first impression you give.

AS in ♏

Attentive

You are a very thoughtful and attentive lover who enjoys living out their sexual fantasies to the very last detail. When it comes to sex you know exactly what you like and also make every effort to please your lover. You excel at fetish games, especially when in possession of the right props and sex toys; a bit kinky.

AS ♊ ☉ ★★★★★

Natural

Your manner is so effortless it seems you're totally in command of all you do. You have a good sense of timing and are able to make the first move with consummate ease and assurance or, if required, you could just as easily wait for a more appropriate moment to arrive.

AS ♊ ♀ ★★★★★☆

Head case

Not only are you ever eager to put your fantasies into words all the while, you also respond swiftly to your partner's requests by diving in head first with energy and alacrity.

AS ♈ ♃ ★★★★★

Determined

Endurance and staying power are your strengths, with commitment being all or nothing as far as you're concerned. So serious and intense, in fact, that you're sometimes seen as a parental figure.

AS ♋ ♃ ★★☆☆☆

Risky

Without your being aware of it, others see you as rather unusual and/or out of the ordinary. You're enthusiastic to try anything that promises mutual pleasure.

AS ♌ ♃ ★★★★★☆

Recognition

Remote and difficult to understand, you could attract a similar partner who may have a fanciful image of you that is difficult to live up to. Structure, plus a strong dose of reality is prescribed.

The Sun

What making love means to Stephen

How you express yourself as an individual.

Thoughtful

You are a thoughtful and reliable lover with a good appetite for sex. Sex for you is a loving experience and once a partner is decided upon you will not give up. Determined and fixed in your ideas, it is more difficult for you to indulge in purely fun sex so it is preferable that you seek a partner who is more flexible; someone who can direct you into a sex life with a little more variety. All in all, you are someone with exceptional staying power who can be depended upon once committed.

9th house

Your depth of understanding; your more intuitive faculties.

Challenging

Sexually you can be both energetic and eager so you like the most spirited partners you can get in order to have your finger on the pulse of what's happening. Lovemaking is your escape from the mundane - a chance to merge with cosmic forces beyond the realms of your imagining.

Brain teaser

You have a compelling inner drive and way of thinking that makes your feelings and motivations more easily understood. Sex is intellectual entertainment as well as a pleasurable experience for you.

Determined

You like to plan ahead, are purposeful, sure of yourself, considerate in your attention to detail and can be relied upon once committed. Always dependable, you like a structured environment for love.

Too hot to handle

You're an impetuous, erratic love-maker who seeks new and original themes for sex that sometimes verge on the extreme. It's essential that there's a steadying hand within the partnership to take a firm grip of the situation so that positive experiments may ensue.

Open to suggestion

It's difficult for you to convey your exact wishes as you often have unrealistic requirements and needs, so you sometimes fall quite helplessly into bad scenes without being aware of it until it's too late.

Domineering

You can be far too over-bearing; a control freak into sexual power games and with desires that are best acted out as sexual fantasy scenes in private - along with a compliant and accepting lover.

The Moon

The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

At the double

When it comes to sex you are quick to react, being able to orgasm and shortly afterwards be ready for more. Once aroused, you are difficult to slow down. Such intensity burns out quickly and you may come too fast for your partner. You need constant new stimulation to keep sex exciting and alive. Without being aware of it you can get over emotionally involved with a partner who is not as eager as you are.

7th house

How you express yourself in your relationships and the qualities you look for in others.

Adaptable

You are a sensitive lover who needs a partner capable of responding to your intuitive nature. Try to see yourself as your partner sees you because you can easily adapt, but sometimes overreact, when patience is all that is required.

Control freak

You're liable to use sex to exert power over your partner. You are perfectly capable of controlling your own desires in order to have others do your bidding and for you to be in total command.

Mercury

Stephen's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

Sticks to it

You are a lover who is positive and firm, down to earth about your sexual needs and not too demanding; someone who knows what they like in the way of sexual preferences or their 'best' position and tends to stick to it. This can be helpful if your partner is unsure, but will be experienced by a more adventurous lover as being unyielding and indifferent.

♀ in 9th House

Uncompromising

Setting your sights high, unlimited, grand fantasies pervade your mind, so prospects that realistically you should be willing to compromise on, may not be feasible. Regardless of such passion, you find sex inspiring, and it will often lead you on to greater things.

♀ △ ♃ ★★★★★

Pleasurable

You're willing and able to wait until you discover the right technique - the one that's likely to succeed - thus ensuring consistency in the bringing of pleasure on a regular basis.

♀ ♃ ♃ ★★★★★☆☆

Shocker

You're confrontational and like to argue. In bed you're prone to moments that can startle and you could well be missing out through bad timing or giving the wrong body signals.

♀ ♃ ♃ ★★★★★

Fixation

Hooked on mind control, you can be fixated; this needs to be acknowledged and structured in order to accommodate a happy outcome. It is important for you and your partner to understand that these needs must be expressed at all cost.

♀

Venus

What you value and need most

How you express your emotions within personal relationships.

♀ in ♀

Appreciative

You want a delicate and varied touch from a sensitive lover. You appreciate the art of loving rather than just being swept away in a moment of passion. You can be aroused just by thinking about sex and you like a partner who sounds erotic whilst they are making love.

10th house

What you aim to achieve.

♀ in 10th House

Ambitious

You're a high flyer who seeks out a lover with ambitions as lofty as your own. Forthright and honest, you approach your lovers with an eye to the main chance. Possessing a powerful sex drive, you are not afraid to take the spotlight, although you can be reserved when it comes to anything considered to be too 'far out' or 'kinky'.

♀ ✖ ♂ ★★☆☆☆

Easygoing

You know what you want and generally get it. Opportunity and desire go hand in hand as far as you're concerned and your sexuality finds a variety of expression easily.

♀ ✳ ♃ ★★★★★☆

Insatiable

You hunger for more, take part regardless and have an 'anything goes' attitude. You're very positive about sex, know what is acceptable and enjoy it whenever possible.

♀ ♃ ♃ ★☆☆☆☆

Beyond reach

Your vague fantasies are not easy to achieve and your lack of clarity, or unrealism, inevitably results in dissatisfaction. It is difficult for you to focus on, and bring about, your desires.

♂

Mars

The driving force of Stephen's sexuality

Your sex drive, stamina and the way you assert yourself and express your desires.

♂ in ♃

Unerring

You are lover who knows exactly what you like, for you are capable of refining your style of making love to the extreme, sometimes being totally hung up on one or two ways of 'doing it' and forgetting other, more obvious or less obvious, modes of sexual expression. No matter how intricate your lovemaking ritual might be, you still prefer to make love in the sureness of your own surroundings. You don't like to have to improvise or take a chance on missing some important detail, for you prefer to do what you know you do well, which is the sex you know you are good at, that you've enacted before.

12th house

Forces that are beyond your control; a higher power or ideal.

♂ in 12th House

Intensity

Sexual energy such as yours is difficult to come to grips with. You have an indefinable urge to find true sexual gratification that seems impossible to achieve, but which should, eventually, be well worth the wait. It is of paramount importance that you take great care when exploring the uncharted realms and unfamiliar territory in search of the rewarding experiences you seek.

♂ ♃ ♃ ★★★★★☆

Well equipped

More than equipped for the task you're capable of a long lasting commitment. Lofty aspirations make you a generous and enthusiastic lover who enjoys sex to the full.

Jupiter

Stephen's capacity and desire for love-making

Your sense of fun, optimism and generosity and what you believe in most.

Prepared

You like to have a well laid out plan or setting for your lovemaking. Your sexual fantasies must be taken into account down to the last meticulous detail. Every effort of erotic expression needs to be given your utmost attention otherwise you just might miss that finishing touch that will lead to ecstasy. To help with your approach to lovemaking you should share your partner's needs and fantasies so that all of your desires and quirks are met within this intricate scene of conjured coupling.

Initiating

You are a person who excels in developing that which was previously unused by yourself and your love. Untapped areas of pleasure can be revealed behind closed doors, releasing rapturous feelings of innermost ecstasy, elation and joy.

Step too far

It's unwise to push things beyond their breaking point. Unexpected surprises make your lover fearful, to such an extent in fact, that they're likely to depart - quite contrary to your intentions!

Saturn

Awkwardness or inhibitions

Your sense of responsibility and lessons you have to learn.

Disapproving

Your love life must be orderly, practical and full of familiar routines in order for you to feel comfortable with yourself. Be careful, however, not to let 'order' become the be-all and end-all, or you may become cold, crass and unfeeling. You are very critical of yourself and others, indeed at times quite disapproving. Try to relax a bit and allow yourself the freedom to fail once in a while.

Hidden pleasures

On the surface at least, relationships are all too easy for you and you abandon all the risks. But you really should be less tentative about revealing the depths of your innermost desires because they must, ultimately, be exposed and taken in hand for your ultimate pleasure and satisfaction.

Startling

Familiar routines appearing to limit and control, ultimately lead to surprisingly innovative arousal that awakens the senses in a most stimulating way.

♃ □ ♃ ★★☆☆☆

All or nothing

Repressed urges unleashed or else love flounders, liberation from custom, tradition and habits lead to ultimate satisfaction.

♃ ♋ ♀ ★★☆☆☆

Instinctive

Complete surrender, under pulsating passion is an act of faith that regenerates and fortifies after total self-destruction.

♅

Uranus

Inventiveness and spontaneity

Your imagination, initiative and ingenuity.

♅ in ♎

Enlightened

Explores the mysterious depths of sexuality and is able to experiment without fear of consequences. Honestly confronting your inner feelings will be an enlightening and rewarding experience.

3rd house

Your relationship with those close to you.

♅ in 3rd House

All mouth and no trousers

Inventive and unpredictable, you're up for any far out sexual fantasy that suddenly springs to mind - the more unusual the better. However, you do need to give some thought to your partner's wishes or possible inhibitions otherwise you may find that sometimes their words do not live up to your expectations.

♅ ♋ ♃ ★★☆☆☆

Leading question

A heady mixture of love and being 'under the influence' of a lover's powerful charms that leads to spiritual union. Sex is another matter - and may not be what this is about.

♆

Neptune

Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

♆ in ♈

Reality check

Your opinions about what is an ideal relationship may be clouded. You imagine it should be straightforward and uncomplicated. Rather than expect others to automatically fit your norm, seek those who actually do.

4th house

Deep inner feelings and habits.

♃ in 4th House

Closeness

You yearn to be at one with your partner, locked in a loving embrace, the ultimate union sealed forever, is your fantasy come true. Much of this stems from your childhood experience of your parents; you must decide how much this fits your adult life.

♃ ✖ ♀ ★★☆☆☆

Certainty

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

♇

Pluto

Unconscious depths and intensity

What motivates you.

♃

in ♋

Transformer

You are part of a generation unable to accept things as they are. Intent on improving the equality between the sexes, you will not be content until changes are brought about - regardless of the upheaval that this entails.

2nd house

What you value most.

♃

in 2nd House

Staying on top

You enjoy providing for your partner's needs or, you may require a partner who can do this for you. It is better that you both contribute to your joint recourses; this way power is shared and a more harmonious balance to your relationship will be assured.

MC

The Midheaven

Preconceived ideas about Stephen's sexuality

What you can achieve.

MC in ♀

Carefree

Known to have a carefree attitude towards sex that may hide more steadfast inclinations, pretending this is actually true could be a useful way to extricate yourself from certain involvements. You are expected to have a way with words and this can be a useful opening for you.
